Emergency Contact Information

In case of a serious illness or injury Onondaga Community College will contact 911. Emergency transportation to a local emergency department will be provided by Rural Metro Medical Services. If a student is reported as missing, the College will notify appropriate law enforcement. In a case of any emergency and/or other life-threatening circumstances, the College will attempt to notify a student's emergency contact as listed on this form within 24 hours. Custodial parents/guardians will be contacted if the student is under the age of 18.
