Dear Friends of Onondaga:

Students often share with us their inspiring stories about the ways in which scholarships and special programs funded by donors to the Onondaga Community College Foundation have literally transformed their lives. As an example, Mason Drastel, a 2009 Humanities graduate and member of the 2008 National Championship Onondaga Tennis Team recently stated, “Without the scholarship I received from the Allyn Foundation, I probably wouldn’t even be here right now.” Mason is like many Onondaga graduates whose future is secured through scholarships.

We are pleased to report that 2008 was a tremendous year of accomplishment for the OCC Foundation. The Foundation

- Inducted six distinguished alumni into the prestigious 2008 Alumni Faces program.
- Received outstanding financial support for the 2008 Fund for Onondaga and the OCC Scholarship Golf Classic at the Skaneateles Country Club.
- Surpassed the $1.2 million mark in overall scholarship support of OCC students since its inception.
- Supported signature Arts Across Campus programs, community partnerships, and other important initiatives including the relocation/expansion of the Children’s Learning Center, international learning opportunities for OCC students, and much more.

On November 18, 2008, the Foundation officially launched the public phase of the largest fundraising effort in the College’s nearly 50-year history - Reach Beyond: the Campaign for Onondaga Community College. This $6 million dollar initiative, which has already raised nearly $4 million, further illustrates the College and the Foundation’s joint commitment to reaching out to private sponsors, corporations, alumni and the community to advance the College’s educational mission in support of students and the Central New York community. The largest component of the campaign, the Presidential Scholars Program, is an endowment that will offer full tuition scholarships to Onondaga County students who complete high school in the top 20% of their graduating class. And in these difficult economic times, this means a real chance for a college degree for students who might otherwise be denied this opportunity.

Onondaga Community College’s renowned reputation for academic excellence, athletic achievement and record enrollment are a direct result of strong community partnerships and strong donor support. We are truly grateful for the generosity of the donors listed throughout these pages and for their demonstrated dedication to higher education, which will benefit individuals, families, community organizations, businesses for generations to come. Thank you for your continuing support.

OCC Foundation Impacts Felt On and Off Campus

All across campus, in and out of the classroom, the support provided by the OCC Foundation to the College and its students impacts lives everywhere and contributes to the quality of life in Central New York. Private support through the Foundation is an investment by those who recognize that Onondaga Community College is an invaluable community asset. This investment is essential for Onondaga to carry out its mission of access to affordable excellence in higher education and to contribute to a high quality of life, a well educated citizenry and a strong and vital regional economy.

Support for Scholarships

Since its founding in 1980, the OCC Foundation has raised vital dollars in support of scholarships which have assisted more than 3,000 Onondaga students in achieving their goals through higher education. To date, scholarship grants now exceed more than $1.2 million. With the Reach Beyond capital campaign and the Presidential Scholars Program, additional financial assistance will be awarded in the form of full tuition scholarships to students in Onondaga County in the top 20th percentile of their high school graduating class. Onondaga Community College recognizes student need, student achievement and individual merit, and the OCC Foundation is proud to administer 115 different scholarships made possible by the generosity of donors.

In the 2008-09 academic year alone, more than 254 Onondaga students will receive a budgeted $180,000 in scholarships from the Foundation which often makes the difference in a student being able to attend.

Support for the Children’s Learning Center

In 2008, the OCC Foundation, through the successful efforts of the Reach Beyond Capital Campaign, donated its largest single cash gift ($200,000) in support of the center and its mission to be able to allow more student parents to pursue their academic dreams by providing quality, affordable and accessible child care. The Children’s Learning Center’s renovations include 12,000 square feet of new space, doubling the number of children it is able to accommodate including infant care for the first time. This new facility reopened in 2008 and continues to be an important investment within the capital campaign to further complete renovations and program services.

Enjoying the 2008 OCC Scholarship Reception were (L-R): Peggy Ogden, retired President and CEO of the CNY Community Foundation and now President of Solutions in Philanthropy; Robert J. Kuchenberger, Managing Partner, Camp Dresser and McKee; Alicia S. Calagiovanni, attorney and partner with Costello Cooney and Fearon; Richard J. Calagiovanni ’68 (Humanities), Customer Solution Analyst for Verizon; and OCC Foundation Director Dennis J. Hebert ’67 (Humanities), President, Hebert Financial Strategies.

The OCC Foundation Scholarship Committee provides volunteer leadership to ensure scholarships meet the desires of their generous donors as well as providing valuable financial opportunities for Onondaga students. (L-R front): Scholarship committee members Melanie Littlejohn, Karin Franklin-King ’69, Committee Chair and OCC Foundation Secretary Irene Scruton; and Committee member Butch Charles.

In March of 2008, members of the Religious Society of Friends traveled to Syracuse to meet Jennifer L. Roundpoint, recipient of the Marjorie Sexton Memorial Native American Scholarship established in 2002 by the Religious Society of Friends in memory of Marjorie Sexton, a lifelong member. The Scholarship’s intent is to provide assistance to full time first year freshmen of Native American descent. Jennifer is studying graphic arts.
Support of Special Educational Opportunities
In the spring of 2008 and led by Onondaga history professor Dr. Richard D. McLain, Onondaga students took their studies outside the classroom... thousands of miles away... and found some of the richest experiences in learning! On an eight-day trip, three professors and 19 students visited remnants of Mayan and Spanish colonial culture in Honduras and Guatemala.

The OCC Foundation was the largest single sponsor for the unique learning adventure. Students and faculty were most grateful because without the financial support from the Foundation, many students would not have been able to take part in this transforming life experience.

Support for Special Events on and off Campus
The Foundation supported numerous events that involved the College and its students, but also contributed to the quality of life in our community. They included sponsorship for the 100 Black Men inaugural dinner in the Gordon Student Center attended by more than 300 people; the first Coulter Library After Hours Program designed to provide students with a relaxing and informative way to learn more about Coulter Library; financial support to make it possible for local disadvantaged high school youth to participate in the Camp College program; assistance for Onondaga students inducted into Phi Theta Kappa International Honor Society, and Honoring the Haudenosaunee culture and Native students at Onondaga through support of the local cultural festival. The Foundation also sponsored a special performance by members of the Syracuse Symphony Orchestra and Onondaga music professor Dr. Kevin M. Moore to benefit the Kevin and Selma Moore OCC Music Scholarship Fund, created in 2001 to benefit Onondaga music students who have auditioned and been selected by OCC music faculty.

Onondaga radio and television alumnus Michael Randall (attended OCC ’73-’74) played the role of Charles Dickens in an Arts Across Campus presentation of A Christmas Carol presented during December at OCC’s Storer Auditorium. Randall’s advice to students, “Share your talents with others and do what you enjoy and what makes you happy.” He is best known for his impersonation of America’s greatest author, Mark Twain, and has performed all over the country including the State Department in Washington, D.C.

“Kathy and I began our adult lives at Onondaga Community College together. The educational experience was outstanding. Teachers and administrators truly cared about you as an individual, always encouraging you to work hard to achieve your goals. It gives us both a tremendous sense of pride to see how Onondaga Community College has become one of the premier community colleges in the state.”

“Thank you for helping me to achieve my dream of being the first person in my family to obtain a college degree.”

Nicole (Human Services)
“OCC is where Kathleen and I earned our first of several college degrees. The education I received was cutting edge and allowed me to move to a four year engineering school with all my credits transferred and allowed Kathleen to pursue careers in both business administration and nursing. The small class sizes and personal touch from the faculty allowed both of us to excel at OCC and provided us a sound education to pursue our career goals for the future.”  

Steve Schill ’78

Note: Steve ‘78 and Kathleen Schill ’81 and ’03 are second generation OCC alumni. Steve’s mother is Margaret “Peg” Schill ’88 and Kathleen’s mother is Eina Dwyer ’85. Kathleen and Steve are understandably proud of their unique OCC family heritage which continues today with their daughter Susie Schill.

"It is great that OCC gives everyone in the community an equal opportunity to obtain a higher education. The fact that I received dual Associate Degrees and have my son enrolled now, attests to my belief in the college. It truly provides a solid foundation and gives you the tools to help create the life that you want."

SAM ROBERTS ’01

“I love that OCC has the perfect program for my interests. I’m a Criminal Justice major with high aspirations, so this is just the beginning for me.”

As an educator and an OCC alumna, I have witnessed Onondaga Community College grow and transform over the years into a vibrant learning community that offers a full array of 21st century learning for students. OCC offered me, my brother William, and my sister Carmel, a unique opportunity to obtain a college education and the motivation to continue to pursue our chosen professions.”
