As part of the recent assessment completed by the CLC in spring of 2024, one of the recommendations from the group was to inform the campus community of the work taking place on a regular basis—hence the creation of this newsletter which will be supplied after each scheduled meeting. Campus members can also visit the CLC website at www.sunyocc.edu/college-leadership-council for more information.

At the October 18, 2024 meeting, here are a few of the agenda items that were discussed:

- A reminder to the members on the three policies they need to review with their constituent groups by the November 15, 2024 meeting.
 - *Policy A13: Instructing Family Members
 - *B22 Conflict of Interest
 - *B23 Third-party Provider
- Members were also asked to review the current definition of shared governance and the College’s graphic representation of the same, providing updates at the November 15, 2024 meeting.
- The Campus Climate Survey Workgroup recommended training “Leading at the Speed of Trust” has been scheduled for January with members of CLC, Expanded Executive Council, and the Campus Climate Survey Workgroup participating.
- Members discussed current events related to Middle States and what next steps are before our site visit in 2026.
- Dr. Sean Vormwald, Co-chair of the Institutional Effectiveness Committee, provided an overview of the Strategic Plan and the Key Performance Indicators for the same. He then reviewed the Operational Plans and the alignment with 4DX on all of the current initiatives.
