

12 STEPS TO TAKE THE STRESS OUT OF FINANCIAL AID

1 Create FSA ID - Student

Before the student completes the FAFSA, they must create an FSA ID at studentaid.gov/fsa-id.

2 Create FSA ID - Contributor

A contributor is the parent or legal guardian of the student. All contributors must have an FSA ID. Visit studentaid.gov/fsa-id. The FAFSA requires the Contributor's information unless the student is Independent.

3 Complete the FAFSA - Student

The student will complete all the sections of the FAFSA and invite the Contributor. The student will need to know the Contributor's email address. Only 1 Contributor needs to be invited to sign the student's FAFSA.
