STUDENT HOUSING TERMS & CONDITIONS

SUMMARY PAGE

The 2026 Summer Student Housing Terms & Conditions, attached to this summary, is a contract between you, Onondaga Community College, and the OCC Housing Corporation that establishes the rules for you to live on campus -in one of the residence halls.

It is important that you take the time to read the entire document and become familiar with your responsibilities and rules as outlined in the terms and conditions attached. This summary page serves only to highlight the major provisions and is not part of the agreement itself. ¹

Major Provisions of the Student Housing Terms & Conditions

1. Summer housing is available only to students who are enrolled in a minimum of **three (3) credit hours of in-person coursework** at Onondaga Community College during the summer session. Eligibility for summer housing is contingent upon verification of enrollment in qualifying in-person classes.
2. **The length of this agreement is for the summer session.** You agree to live on campus for the selected summer session. You agree to live in the residence halls only for the duration of the class/classes you are taking. You agree to pay the full housing fee for the selected summer session even if you move out early, get removed for failing to abide by OCC's rules or policies, or choose not to come back.
3. If your payment for housing includes approved financial aid, any loss of financial aid, change in enrollment (being below full time or withdrawing from Onondaga Community College), unsatisfactory academic progress, failure to complete any required additional financial aid documentation, or other issues will result in you being fully obligated to pay the balance of any outstanding housing fees from other resources.
4. Onondaga Community College and the Housing Development Corporation are not liable for any personal injuries sustained by you or your guests, nor any loss of, damage to, or theft of personal belongings. Residents should carry their own insurance protection against loss or damage to their personal property.
5. You must comply with Onondaga Community College's Code of Conduct, Residence Life Handbook, and any applicable federal, state or municipal laws, codes, rules or regulations.
6. If you no longer wish to live on campus over the summer, you must cancel this agreement by May 11, 2026, to avoid financial liability.

¹ If there is any conflict or inconsistency between this summary page and the Student Housing License Agreement that follows, the provisions of the Student Housing License Agreement will prevail.

STUDENT HOUSING TERMS & CONDITIONS

SUMMER 2026

This License Agreement states the terms and conditions upon which you as a student resident may occupy and live in the residence halls operated by Onondaga Community College, the OCC Housing Development Corporation and the Office of Students' Rights, Responsibilities and Residence Life (hereinafter referred to together as "OSRRRL"). The Agreement allows the student the use of the residence hall accommodations only as outlined in College policies, Code of conduct, and this agreement. By submitting your application for student housing, you agree to these terms and conditions.

Housing is limited, rooms are not guaranteed, and the OSRRRL reserves the right to make all room assignments and re-assignments of you and other occupants of the residence halls in its sole discretion. This License Agreement does not create an interest or right in real property and may be terminated by the OSRRRL as described below. The OSRRRL reserves the right to reject applications or to terminate this License Agreement at any time if it determines, in its sole discretion, that such action is in the best interests of the OSRRRL, the orderly operation of the College, and/or any member of the College community. The OSRRRL also may reject an application or terminate this License Agreement if you fail to meet the eligibility criteria or otherwise fail to comply with this License Agreement. This License Agreement holds you as a student resident financially responsible for the select summer session(s), even in the event that this agreement is terminated. All eligibility, terms, fees, requirements, termination, appeals, occupancy and uses, and required notices are as noted in detail below. The OSRRRL reserves the right to deny housing to anyone it determines to pose a risk of harm to persons or property.

You are personally responsible for the acts of your guests or invitees, including damage to property or violations of College policies.

TERMINATIONS/REFUNDS

In the event you withdraw from the College during a summer session, you must vacate the residence hall within 48 hours or within such shorter or longer period as determined by the OSRRRL. 1. This license is binding for the summer session.

 - b. Is removed from the College and/or housing

Should personal belongings be left in the room longer than the allotted 48 hours, any and all belongings remaining will be donated or disposed of as the OSRRRL deems appropriate.

OCCUPANCY AND USE OF PREMISES

Cleanliness: Residents are responsible for room cleaning, regular waste removal, and maintaining satisfactory sanitation and life safety standards as determined by the OSRRRL.

Furnishings: Residents may not move College furnishings from one room to another.

Keys: It is the responsibility of each resident to secure all keys. The transfer of a key to another individual is prohibited. A fee will be assessed for any lost or missing keys.

Check-in Requirement: The resident must check in with OSRRRL staff when moving in or changing rooms. At that time, building and room access will be arranged. Residents must review and submit a room condition report by the designated deadline. This form is the basis for assessment of any damage

or loss attributed to the resident at the end of the occupancy period. Failure to submit a room condition report by the designated deadline will result in the resident assuming responsibility for damages in the room.

Check-Out Requirement: At the end of the occupancy period, when the agreement is terminated, or the resident changes rooms, the student must complete the checkout procedure established by the OSRRRL. The check-out procedures include (1) removal of personal belongings and ensuring the room is as clean as it was at the time of check-in, (2) checking the condition of the room or suite, and (3) returning all keys for the room and suite.

Approved Residential Use Only: Your assigned room is to be occupied exclusively by you and other assigned students, for residential use only. The suite, room, or any other part of the Residence Hall may not be used for any commercial business or other purpose. You may not assign, sublease or otherwise transfer, in whole or in part, your right of occupancy created by this License Agreement.

Room Changes: The OSRRRL has no obligation to honor room change requests. Should you be granted a room change and a different room type, you must pay the rate difference between your originally assigned and newly assigned space.

Vacancy Room Consolidation: The OSRRRL reserves the right to relocate and consolidate students to maximize occupancy. This vacancy consolidation process attempts to ensure that students occupying similar spaces are charged at similar rates.

Filling of Vacant Spaces: In the event that any resident of the suite or room fails to take occupancy, or ceases to occupy the suite or room, the OSRRRL shall have the right to make the space available to other students. The OSRRRL has no obligation to place other students in an empty space or to obtain permission from the current resident with respect to alternate or replacement of residents. The OSRRRL shall have no obligation to inform you of new resident assignments. In order to accommodate a potential new roommate, the resident of a partially filled room is required to keep one set of furnishings available for use and to keep the rest of the room reasonably clear and ready for new occupancy.

Right of Entry: The OSRRRL, including Facilities and Support Services, reserves the right to enter any part of the Residence Hall, including your room or suite, at any time without prior notice. Right of entry is extended to any College affiliates, contractors, vendors etc. as approved by the OSRRRL. This includes the right to enter a room or suite for health and safety inspections. Staff members are required to identify themselves prior to entering a room.

NOTICES

Personal Injury, Property Loss or Damage: Neither the OSRRRL nor the County of Onondaga shall be liable for any personal injuries sustained by you or by any of your guests or invitees while on campus, in your room, suite or other areas in the Residence Halls. The OSRRRL nor the County of Onondaga shall be liable for any loss of, damage to, or theft of personal belongings or those of your guests or invitees, resulting from any cause whatsoever unless the injury, loss, damage or theft is caused by the gross negligence or willful misconduct of the OSRRRL or the County of Onondaga. Residents should carry their own insurance protection against loss or damage to their personal property.

Interruption of Service: You will receive no reduction or refund of housing fees, nor will the OSRRRL be liable to you, as a result of interruption of services to utilities, appliances, or other equipment due to repairs, defects or circumstances not caused by the gross negligence or willful misconduct of the OSRRRL.

Notice Regarding Temporary Housing: The OSRRRL, in its sole discretion, may temporarily assign you to alternate housing facilities not on the campus of the College (the "Temporary Housing Facilities") or make other reasonable arrangements. OCC Residence Life will provide notice to you of such temporary housing facilities or other reasonable arrangements. This License Agreement will remain in effect during your occupancy of the temporary housing facilities, and the housing fees due and payable hereunder will continue to be due and payable without adjustment or reduction.

Amendment of Terms and Conditions: The OSRRRL may revise these terms and conditions at any time. The revised terms and conditions shall be binding upon you and the OSRRRL as of the date they are first posted at www.sunyocc.edu/reslife

Non-discrimination: The OSRRRL does not discriminate on the basis of race, religion, color, sex, sexual orientation, national origin, age, disability, predisposing genetic characteristics or carrier status, military service or veteran status, marital status, gender identity or expression, actual or perceived shared ancestry, ethnic characteristics, citizenship or residency in a county with a dominant religion or distinct religious identity, or any other characteristic protected by law. The OSRRRL complies with all applicable equal employment opportunity and non-discrimination laws.
