

Onondaga Community College

2019 – 2020 Equity in Athletics Disclosure Act (EADA)

Philosophy of Intercollegiate Athletics at Onondaga

The Onondaga Community College Department of Athletics is committed to supporting the College's mission, by making a difference in the lives of student-athletes. Athletics is an educational opportunity and experience that complements a student's formal classroom education, only it occurs in a "different classroom". It is like having a double major and as such requires a special commitment and willingness to accept greater expectations and responsibilities. Being a student-athlete is a privilege and opportunity, not a right. Onondaga expects its student-athletes to be successful in the classroom first. Secondly, we expect our student-athletes to compete at the highest level while learning valuable life lessons by participating as part of a team and in a diverse campus community.

Mission

To operate an athletics and recreational sports program that provides quality educational and developmental opportunities designed to complement a student's formal classroom education, facilitate development as a young adult, and make a difference in the overall wellness, general quality of life experiences, and opportunities of those who participate in sports.

Vision

Onondaga Community College will be recognized as a nationally competitive athletics program dedicated to positively influencing the academic, personal, social and athletic development of its student-athletes. We will compete to win while teaching life lessons, reinforcing healthy behaviors and providing opportunities to learn new skills and develop positive habits that collectively assist our student-athletes in reaching their full potential.

Onondaga Athletic Department Affiliations

Onondaga Athletics is a member of the National Junior College Athletic Association (NJCAA) as a Division III member for all sports with the exception of men's and women's lacrosse, and participates within Region III of the association. Division III programs are prohibited from offering athletic scholarships, therefore 15 of Onondaga's 17 sports do not offer athletically related student aid. Men's and women's lacrosse are non-divisional sports in the NJCAA which, by rule, allows us to offer limited athletic scholarships to student-athletes of those 2 sports. Region III is composed of community colleges across Upstate New York State. All 17 of Onondaga's intercollegiate sports are affiliated with the NJCAA and Region III. Onondaga Athletics is also a member of the Mid-State Athletic Conference (MSAC) for select sponsored sports.

On-The-Field-Success

The 2019-2020 season saw much success from Onondaga's athletic programs. Administrative and financial support was made available to each team who earned a position in the postseason to meet the full needs of participation. There are a few important caveats to postseason play that require further explanation. Many different factors, but primarily roster size, location of postseason events, and duration of the event contributed to different financial support for post-season play. Unlike NCAA programs, NJCAA programs bear the full financial burden of post-season play. As a result, spending can appear to be unevenly distributed among sports.

Covid-19 Pandemic Disruptions

The Covid-19 pandemic had significant impacts on the Onondaga Athletics operations during 2019-2020. Baseball, Men's and Women's Golf, Men's and Women's Outdoor Track & Field and Women's Lacrosse did not compete in 2019-2020 after the coronavirus caused athletic competition to halt nationally. Additionally, Men's Lacrosse and Softball did have an opportunity to start competitions, but did not complete a full season, before the pandemic caused the remaining balance of their 2019-2020 contests to be cancelled. As a result of these significant disruptions, and loss of many seasons and contests, spending in 2019-2020 can appear to be unevenly distributed among sports.

Enrollment Management

Our student-athletes choose to stay enrolled at Onondaga at significantly higher rates than their non-student-athlete-peers. The Fall 2018 cohort shows student-athlete retention to be 14.1% higher than the general student population at the College. Onondaga Community College works diligently to support all student-athletes to ensure they have the support and access to academic resources necessary to ensure fulfillment of their academic goals.

Access to Premier Facilities

Onondaga Athletics benefits from some of the best sports facilities available at the NJCAA level in New York State. Our primary on-campus facilities – the SRC Arena, Lazars Stadium, Baseball and Softball Complex, Applied Exercise Room and Allyn Hall Gym – are all accessible and shared equitably amongst the 17 intercollegiate athletic programs. Our two off campus facilities – Timber Banks Golf Course (Golf), and Anthony J. Santaro Park (Tennis) – are shared by both genders and meet the high standards set for our on-campus facilities.

Team Fundraising Activities

Onondaga Community College financially supports all 17 intercollegiate sports programs at a competitive level through institutional funds, including a portion of the Recreation and Wellness Fee paid by all full-time and part-time students. Even with strong financial support from the College and affiliated enterprises, fundraising is required of each program. Fundraising activities primarily support the purchasing of team apparel (not including uniforms) retained by athletes as personal items, and team travel activities during College breaks (winter and spring breaks). Fundraising activities and spending from fundraising accounts is monitored and administered by the College, therefore revenues and expenses by sport are reflective of the team's fundraising efforts and their respective yield.

Department-wide fundraising and sponsorship efforts are also in place to help support larger programming and purchases that benefit the entire student-athlete population.
