

**RESOLUTION TO APPROVE THE 2018-2026 FACILITIES MASTER PLAN**

**WHEREAS**, in August 2019, Onondaga Community College retained the firm of Architectural Resources, PC to prepare an update of the 2013-2018 Facilities Master Plan and perform a comprehensive space analysis designed to document the present condition of the College's facilities and predict major capital improvements; and

**WHEREAS**, the 2018-2026 Facilities Master Plan will enable SUNY and the local sponsor to anticipate long-range capital needs for funding purposes and provide direct support of the goals and objectives of Onondaga Community College's Strategic Plan: *Lazer Focus*; and

**WHEREAS**, the Facilities Master Plan supports strategic priorities identified by the Board of Trustees, including a student-centered campus community with focus on academic excellence and activated spaces for student use. It also supports creating environments that respond to and integrate multi-cultural aesthetics into campus space and life, creating educational facilities that are inviting and accessible to underserved populations, proving a flexible and adaptive framework for the development of the campus to meet current and future needs, and strategically planning for the ongoing maintenance and upkeep of existing buildings and infrastructure. The 2018-2026 Facilities Master Plan will allow the College to continue to meet the needs of its students and the community; and

**WHEREAS**, the President, after extensive consultation with architects from Architectural Resources, PC and the College administration and stakeholders, recommends the Board of Trustees approve the 2018-2026 Facilities Master Plan;

**NOW, THEREFORE BE IT RESOLVED**, that the Onondaga Community College Board of Trustees approves the 2018-2026 Facilities Master Plan.

**RESOLUTION TO ENDORSE A FEASIBILITY STUDY  
FOR A NEW ACADEMIC PROGRAM:  
AUTOMOTIVE TECHNOLOGY ALTERNATIVE FUELS**

**WHEREAS**, new programs at Onondaga Community College originate from transfer requirements, industry needs, student and community input, faculty recommendations, and/or program review; and

**WHEREAS**, review and consultation for such new programs will occur with the Provost, Assistant Provost, and Academic Deans and within Academic Departments, Curriculum Committee, Learning Outcomes Assessment Committee, and Faculty Senate as a whole with further review of such new programs conducted by the State University of New York and the New York State Education Department; and

**WHEREAS**, the Provost has discussed the new program proposal with faculty leaders and hereby requests endorsement by the Board of Trustees to conduct a cost and feasibility analysis to be completed by an independent consultant consistent with the requirements outlined in the College's Curriculum Handbook, subject to the College President making a final determination concerning whether to proceed with any new program; and

**WHEREAS**, electric, hybrid, and diesel technologies are growing segments in the automotive and transportation systems production industry;

**WHEREAS**, there is an increased demand for automotive technicians that are skilled in electric, hybrid, and diesel technologies;

**WHEREAS**, the Provost has recommended to the College President and the College President hereby recommends to the Board of Trustees that an Automotive Technology: Alternative Fuels program be endorsed for a feasibility study; and

**WHEREAS**, the Board of Trustee recognizes that the program resulting from the feasibility analysis will be appropriately designed to fulfill the requirements of a credential the College is authorized to grant (e.g., Certificate, Associate of Arts, Associate of Sciences, Associate of Applied Sciences, Associate in Occupational Studies);

**NOW, THEREFORE BE IT RESOLVED**, that the Board of Trustees of Onondaga Community College hereby endorses a feasibility study for an Automotive Technology: Alternative Fuels program consistent with the College's existing authority to develop certificates and associate degrees.

**RESOLUTION TO ENDORSE A FEASIBILITY STUDY  
FOR A NEW ACADEMIC PROGRAM: DESIGN STUDIES, A.S.**

**WHEREAS**, new programs at Onondaga Community College originate from transfer requirements, industry needs, student and community input, faculty recommendations, and/or program review; and

**WHEREAS**, review and consultation for such new programs will occur with the Provost, Assistant Provost, and Academic Deans and within Academic Departments, Curriculum Committee, Learning Outcomes Assessment Committee, and Faculty Senate as a whole with further review of such new programs conducted by the State University of New York and the New York State Education Department; and

**WHEREAS**, the Provost has discussed the new program proposal with faculty leaders and hereby requests endorsement by the Board of Trustees to conduct a cost and feasibility analysis to be completed by an independent consultant consistent with the requirements outlined in the College's Curriculum Handbook, subject to the College President making a final determination concerning whether to proceed with any new program; and

**WHEREAS**, occupations in design-related fields such as product design and graphic design are projected to experience growth in the next 10 years;

**WHEREAS**, the College is committed to developing new curricular content in alignment with academic programming at Syracuse City School District's future Science, Technology, Engineering, Art, and Math (STEAM) High School; and

**WHEREAS**, an academic program offering active learning opportunities in graphic design, digital imaging design, and product design aligns well with the academic and career goals of future Syracuse STEAM High School graduates;

**WHEREAS**, the Provost has recommended to the College President and the College President hereby recommends to the Board of Trustees that a Design Studies program be endorsed for a feasibility study; and

**WHEREAS**, the Board of Trustee recognizes that the program resulting from the feasibility analysis will be appropriately designed to fulfill the requirements of a credential the College is authorized to grant (e.g., Certificate, Associate of Arts, Associate of Sciences, Associate of Applied Sciences, Associate in Occupational Studies);

**NOW, THEREFORE BE IT RESOLVED**, that the Board of Trustees of Onondaga Community College hereby endorses a feasibility study for a Design Studies, A.S. degree program consistent with the College's existing authority to develop certificates and associate degrees.
